

SUPPORT the Evolution of MANHOOD

Part of the vision of the ManKind Project is a world “where conflicts are resolved peacefully; where torture, genocide, domestic violence, and senseless war are only entries in the history books.”

Help us create a future without violence. The kind of manhood taught by our culture damages everyone. The ManKind Project stands for a new kind of man: men who are strong and nurturing, emotionally mature, responsible, transparent, and driven by a sense of purpose beyond self.

Supporting the ManKind Project means you are helping support nearly 10,000 men across the USA every week to lead lives of accountability, integrity, and connection to feeling. This work has positive impact for families, communities, and institutions.

The ManKind Project USA is a 501(c)(3) nonprofit organization, not affiliated with any religious practice or political party. All donations are fully tax deductible.

Contributing Members Receive our monthly newsletter, a custom window decal, and a free copy of the book “A Circle of Men; the Original Manual for Men’s Support Groups,” by Bill Kauth.
