

# Are you ready to move toward MASTERY in your life?

Men ready to re-discover what ancient cultures understood... the value of receiving council, support and inspiration from master coaches and a tight circle of peers. **This is your place.** Achieve the results that are alluding you. Go deeper into what holds you back and what you need to do to move into mastery.

Know Thyself  
Become Truth in Action  
Accept Responsibility for Your Life  
Explore Your Limits

The ManKind Project is now offering small group coaching with Master Coaches designed to bring out the highest, most mature version of yourself in a powerful container built specifically to meet you where you are.

Four men make a three-month commitment to themselves and one another to succeed together “in a good way.” The team meets by video conferencing to co-create presence, abundance and effectiveness.
